Population growth - Wikipedia In biology or human geography, population growth is the increase in the number of individuals in a population. Many of the world's countries, including many in Sub-Saharan Africa, the Middle East, South Asia and South East Asia, have seen a sharp rise in population since the end of the Cold War. The fear is that high population numbers are putting further strain on natural resources, food ... Anarchism - Wikipedia Anarchism is an anti-authoritarian political philosophy that advocates self-managed, self-governed societies based on voluntary, cooperative institutions and the rejection of hierarchies those societies view as unjust. These institutions are often described as stateless societies, although several authors have defined them more specifically as distinct institutions based on non-hierarchical or ...
